

# CAMP 2010

Jesus changed us, so we could change the world.

## What if we could partner to see your world changed starting with the children and youth in your community?

Your church is already making a significant effort to reach the children and youth of your community, and I would like to help you take it to the next level. Every year hundred of students attend the New Mexico Assemblies of God summer camps. It is at camps that many of them receive salvation, Holy Spirit baptism, healing and an overall miraculous experience with God. These significant spiritual events and experiences when combined with the relationships and lifelong memories that are created at a week of camp, make for a truly life changing event. Simply put, get them to camp...and they will be changed!

It is the vision of the New Mexico Student Ministries to partner with you and your church to get more kids to camp in order to expose them to a God who changes everything. We want this partnership to be successful. This partnership is so important to us, that we are willing to make a significant

financial contribution to make it happen called the NMSM scholarship.

### Here's how it works:

The students in your church attend camp for \$160, which is \$10 more than last year due to inflation and actual costs (not profit).

Between now and camp, your students invite their friends, that don't attend your church, to camp. If they can get those friends to register for camp, we will apply a \$30 NMSM scholarship towards their friends camp tuition. Essentially...we believe so much in the camp experience, that we are willing to give out discounted tuitions of \$130 to help you reach the children and youth in your community.

Maybe they'll come because of the discount...maybe you'll have to pitch in a little more to get them there...Maybe they'll come because someone was willing to invest in them...

Use this opportunity to motivate your students to reach out to others for the cause of Christ. Get the whole church involved and make it your mission from now until camp.

We would love to offer this type of assistance to everyone, but we simply can't. We are making a huge financial sacrifice in

order to partner with you in this way. Please, join with us as we make this worthy sacrifice.

You may have a ministry to 15 youth...that number could double if you get them to all bring a friend to camp...

This is not just about camp. This is about using camp to begin something significant in the lives of the children and youth in your community.

In order for a student to be approved for the NMSM scholarship, the group leader from your church must fill out the NMSM scholarship portion of the students form indicating that the student meets the requirements.

Requirements: The NMSM scholarship is to be applied to students that do not currently attend your church, that register for camp between November and June, 2010. It is to be used as an evangelism tool; not a discount for everyone.
